

## Remarks

Claims 2 and 6 have been amended to correct an error in the value of the cell parameters. The molecules/unit cell have been corrected to the value of 2, from the incorrect value of 4. Support for this change is found in the specification on page 19. In Table 1, the value of Z (molecules/unit cell) is 2 for the Form Epo B-TO $\beta$ .

Respectfully submitted,

Bristol-Myers Squibb Company
